## Cocktails

### Mojito 14

Mojito is a traditional Cuban punch. The cocktail often consists of five ingredients: white rum, sugar, lime juice, soda water, and mint. Its combination of sweetness, citrus, and herbaceous mint flavours is intended to complement the rum, and has made the mojito a popular summer drink.

### Espresso Martini 14

The espresso martini, also known as a vodka espresso, is a cold caffeinated alcoholic drink made with espresso, coffee liqueur, and vodka. It is not a true martini as it contains neither gin nor vermouth, but is one of many drinks that incorporate the term martini into their names.

### Pornstar Martini 14

If you're looking for a cocktail that's fun, fruity, and just a little bit indulgent, the Pornstar Martini is it. With a bold mix of passion fruit, vodka, and vanilla syrup, topped with a shot of bubbly prosecco or champagne, this drink is the perfect balance of sweet, tangy, and sophisticated.

### Old Fashioned 14

The old fashioned is a cocktail made by muddling sugar with bitters and water, adding whiskey or sometimes brandy, and garnishing with an orange slice or zest and a cocktail cherry. It is traditionally served with ice in an old fashioned glass.

### Negroni 14

A Negroni is a classic cocktail made with equal parts gin, sweet vermouth, and Campari, often garnished with an orange peel and served on the rocks.

### Aperol Spritz 14

A spritz is an Italian wine-based cocktail, commonly served as an apéritif across Italy. It consists of Prosecco, digestive bitters, and soda water. The original spritz veneziano uses Select as bitters and was created in Venice in 1920.
